

## From Here to Maternity

The successful Foxtel series, From Here to Maternity, filmed at the Royal Hospital for Women is returning for a second series to Foxtel's 'W' channel from November 25th.

The ten part x 30 minutes documentary series takes a candid look at what it's really like to have a baby - including the many highs and lows throughout.

The series follows a group of twelve very different couples from the early stages of pregnancy through to childbirth and life at home. The program is hosted by mother of four (and an ambassador of the Royal Hospital for Women) Antonia Kidman.
